

**Practitioner's Docket No. 4000735.0023**  
**IN THE UNITED STATES PATENT OFFICE**

Applicant: Joel Jameson )  
Serial No.: ) Group:  
Filing Date: )  
Title: OPTIMAL SCENARIO FORECASTING, RISK SHARING, AND RISK TRADING  
-----

**Regarding Disclosure Documents**

Dear Sir:

This letter is being filed to specifically request that the following document disclosures filed by the Applicant be placed in the file wrapper of the above referenced patent application.

TITLE	NUMBER	DATE	RECEIVING LOCATION
Various Conceptions I	SV01446	November 1, 2001	Sc[i]3
Various Conceptions II	SV01148	November 2, 2001	Sc[i]3
Various Conceptions III	504320	January 19, 2002	USPTO
Various Conceptions IV	505056	January 31, 2002	USPTO
Various Conceptions V	505269	February 11, 2002	USPTO

In accordance with USPTO procedures, "the Disclosure Document will be preserved in confidence by the USPTO for two years after its receipt without publication in accordance with 35 U.S.C. 122(b) effective November 29, 2000. It will be destroyed unless it is referred to in a separate letter in a related patent application filed within the two-year period. The separate letter filed in the related patent application must identify not only the patent application, but also the Disclosure Document by its title, number, and date of receipt in the United States Patent and Trademark Office."

This letter is in accordance with USPTO procedures and thus, each of the above mentioned documents should continued to be preserved.

If the Patent Office has any questions, please call the undersigned at the following number 312-521-2775

Respectfully submitted,

\_\_\_\_\_  
Adam K Sacharoff
